COMMENT

HERE I AM DRAWING A CAT MANGA, EVEN THOUGH IN REALITY I AM AFRAID TO HOLD CATS. I'M NOT SURE THEY WILL FEEL COMFORTABLE IN MY ARMS. BY THE TIME THIS SERIALIZATION IS OVER, I WANT TO BE ABLE TO HUG THEM MADLY.

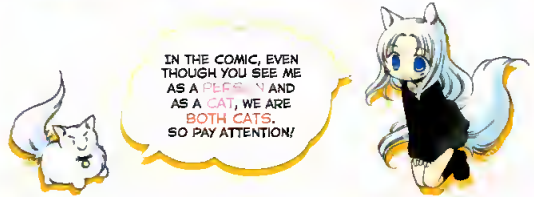
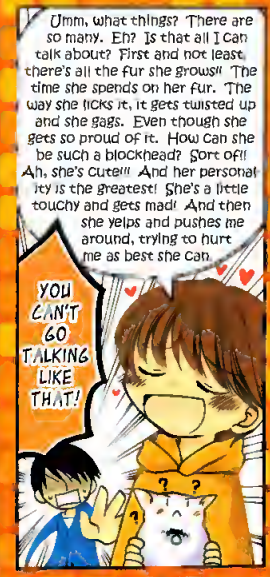
I AM THE PRETTY CAT SHIROKO
NO WAY. YOU DON'T GET IT. SHE HASN'T MADE HERSELF UP. THIS IS NOT AT ALL HER CUTEST!!
SHE GETTING HERSELF READY TO GO SOMEWHERE?
BUT THIS RADIANCE DOESN'T COME BY NATURE ALONE.
MY BODY WITH ITS LEFT-RIGHT SYMMETRY, HAS AT ALL TIMES AN AURA.



Q. WHAT DO YOU LOVE ABOUT HER?



Umm, what things? There are so many. Eh? Is that all I can talk about? First and not least, there's all the fur she grows!! The time she spends on her fur. The way she licks it, it gets twisted up and she gags. Even though she gets so proud of it. How can she be such a blockhead? Sort of!! Ah, she's cute!!! And her personality is the greatest! She's a little touchy and gets mad! And then she yelps and pushes me around, trying to hurt me as best she can.
YOU CAN'T GO TALKING LIKE THAT!
